

COLUMBIA IRRIGATION DISTRICT
DOI Application for Belmont Booster Pumps
Resolution 2020-1

WHEREAS, the Columbia Irrigation District has recognized that the Belmont Booster Pump Station is constructed wholly upon Department of Interior (DOI) property; and

WHEREAS, said pumping station is not currently authorized by the DOI; and

WHEREAS, removal of said pumping stations would be a significant cost to LID #63; and

WHEREAS, the District will not pay for the removal and reconstruction of said pumping station; and

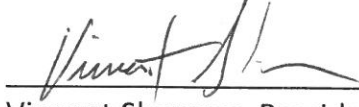

WHEREAS, the DOI has contacted the District about leasing the land mass required for said pumping station and related works;

NOW THEREFORE, BE IT RESOLVED that the Columbia Irrigation District authorizes management to apply for a lease for the same from the DOI.

BE IT FURTHER RESOLVED that the Columbia Irrigation District authorizes the costs of said lease as an expense to be borne by LID #63 in perpetuity.

Dated this 3rd day of January 2020.
